

Think It Over

Buddy Holly

Think it over what you just said
Think it over in your pretty little head
Are you sure that I'm not the one
Is your love real or only fun
You think it over, yes, think it over
A lonely heart grows cold and oldThink it over and let me know
Think it over but don't be slow
Just remember all birds and bees
Go by twos through life's mysteries
You think it over, yes, think it over
A lonely heart grows cold and oldThink it over and think of me
Think it over and you will see
A happy day when you and I
Think as one and kiss the blues goodbye
You think it over, yes, think it over
A lonely heart grows cold and oldThink it over, think it over
