

# I'm Neurotic

## Terry Malts

I'm neurotic  
That's what she says  
Won't let it go to my head  
Maybe she's right

I'm neurotic  
That's what she says  
Won't let it go to my head  
Maybe she's right

I'm neurotic  
That's what she says  
Won't let it go to my head

I'm neurotic  
I'm neurotic  
I'm neurotic  
I'm neurotic
