

# All Alone

fun.

I fell in love with a wind-up souvenir  
I bought it downtown as I was on my way to meet you  
She sounds like the songs you used to sing to put me to sleep but  
Now that you're gone she's all I've left to hold And I feel so all alone  
No one's gonna fix me when I'm broke  
How do you cry with inanimate eyes?  
You're never gonna smile with the way that you are  
And I feel so all alone I gave it to you I thought you might appreciate  
The way that she dances, the painted look upon her face  
She must of come from the sun. I wanna take her through the park  
Where she tell me I'm all that she wants and she could even talk. I feel so all alone  
No one's gonna fix me when I'm broke  
How do you cry with inanimate eyes?  
You're never gonna smile with the way that you are  
And I feel so all alone  
I feel so all alone As she sits on my shelf it makes me think of you  
The way she carries the things that remind me of who  
We used to be before we became empty She's a lot like you  
But when i hold her too  
Tight I know she'll break  
Just take some glue to stay I feel so all alone  
No one's gonna fix when I'm broke  
How do you cry with inanimate eyes?  
You're never gonna smile with the way that you are  
And I feel so all alone  
I feel so all alone  
I feel so all alone
