Dynamite (feat. Pretty Sister)

Nause

Intro:
I got myself together
and no, you ain't no friend of mine
they'll be no more tears for you now
you see, I'm moving on fast
finally got the pass
gon' leave this thing behindChorus:
you cut deep, babe, but you don't see
and you don't care, and you don't bleed
you blow my mind like dynamite
you go boom, boom, boom
You cut deep, babe, and now I know
your sweet sweet words were all for show
the fuse is set, the dynamite
it goes boom, boomx8 boom, boom, boomVerse 1:
There'll be no more retribution, no
and so you better not waste your time
hey, hey, hey
I don't miss your arms around me
you know,
I put my hand in the fire and it burned me once
I don't need it for a second timeChorus:
You cut deep, babe, but you don't see
and you don't care, and you don't bleed
you blow my mind like dynamite
you go boom, boom, boom
You cut deep, babe, and now I know
your sweet sweet words were all for show
the fuse is set, the dynamite
it goes boom, boomx8 boom, boom, boomVerse 2:
I wish we'd end up this crazy
way before we ran out of steam
and I don't want to sound defeated
but if you still don't get it
you're never gonna get it
how could you be a friend of mine?Chorus:
You cut deep, babe, but you don't see
and you don't care, and you don't bleed
you blow my mind like dynamite

you go boom, boom, boom
You cut deep, babe, and now I know
your sweet sweet words were all for show
the fuse is set, the dynamite
it goes boom, boomx8 boom, boom, boomChorus:
You cut deep, babe, but you don't see
and you don't care, and you don't bleed
you blow my mind like dynamite
you go boom, boom, boom
You cut deep, babe, and now I know
your sweet sweet words were all for show
the fuse is set, the dynamite
it goes boom, boom, boom
