Spanish Fever

Chixdiggit!

met a girl late last summer in a country that was warmer than the one i come from hair of black, skin of copper she spoke english like a trucker she was hot as napalm she didn't think i liked her for her she says i got spanish, i got spanish - fever i got spanish, i got spanish - fever i'm falling in a little deeper she's been calling me a creeper cause i said "you got nice eyes" she turned away and watched some soccer man, that made me really want her but i said goodbye did i mention that we went to spain? she says i got spanish, i got spanish - fever i got spanish, i got spanish - fever she says i got spanish, i got spanish - fever i got spanish, i got spanish - fever i got spanish, i got spanish - fever i got spanish... fever
