Cause I'm a dogg I'm a give her what she like

She say ma name loud, I say her name low

That's what I aim fo, that's how the game go

Baby like the way I wake her up,

Cause I'm a gangsta I grab her by the butt

Pull her to my side, I'm in deep

Woke that ass up, just to put her to sleep

Everyday is the same thang, I creep in

It's like true blood, I sink my teeth in

I gotta have it, the L B raisement

We was taught to dig em down crazy

Lights out, I'm so lit

Mama's so gone, daddy won't quit

I won't stop till yur finished

But you ain't felt love till a gangsta get up in it

Dream[Chorus]That

Gangstaa
G-Gangsta,
Gangsta
G-Gangsta,
Gangsta
G-Gangsta

That gangsta love This the life that you show

The loop, the coop, the grows

Anything goes

It's so good got her wiggling her toes (wow)

The boss, The-Dream

The floss, the cream

The trips overseas

All these things really don't mean a thing

When I'm tearing that ass up workin' you like a shift

I give it to you like a gift

You hear what that boy say

You wouldn't jack, give it up fast

Then I hit it from the back

Snoopy your so good, she screaming and I like that girl

She off in another world

I ain't stop till your finished

She love this gangsta, especially when I'm in it . Dream[Chorus]
