

Try Me Out (Lee Marrow Club Mix)

Corona

Try me out, please baby try me out
Just take a chance because I wanna be yours
Wanna love you
Try me out, if you just try me out
I'll be the girl for, honey, let me be yours I always like to have you making love to me
So I dressed up like a lover
Hoping I could make your legs go weak
Oh and I promise I will be
What you want a girl to be
I'll try everything to have you boy I'll make you crazy for a treat
Don't think it's hard, just feel my heat
I know we're friends but I want much, much more
I'll make you crazy for a treat
Don't think it's hard, just feel my heat
I know we're friends but I want much, much more Well, baby, gotta take me, cause I love and care
And when you feel me melting
I know you're gonna take me to the stars
Well, baby, gotta take me, cause I love and care
And when you feel me melting
I know you're gonna take me to the stars
Take me to the stars
