

For You, Love

Frida Sundemo

I still listen to that song
It's ours forever
And I can hear you sing along
It makes me shiver
I don't mean to make things worse
When I write this letter
You see, my words are not enough
To show how I feel
I'd take a bullet for you, love
For you, love
For you, love
And I'd trade everything I've got
For you, love
But I can't now
I'd take a bullet for you, love
I'd take a bullet for you, love
For you, love
I guess you're holding back your tears
I would if I could
You said we both will be alright
That days get lighter
I'd take a bullet for you, love
For you, love
For you, love
And I'd trade everything I've got
For you, love
But I can't now
I'd take a bullet for you, love
I'd take a bullet for you, love
I'd take a bullet for you, love
For you, love
I'd take a bullet for you, love
And I'd trade everything I've got
For you, love
But I can't now
