Scream & Shout

Zk Scream

I cannot see you but I know you're there
To awaken my heart tonight
There's a dream I will follow, a passion I search
Many mountains to climb
I've finally found you, my kisses surround you
There's no turnin' back this time
Can you hear me call?
Can you hear me call?
I tell it to the one I love
Shout it to the world above
Baby, don't you understand
That everything belongs to us?
I wanna scream and shout
Can you hear me?
I wanna make you shine
I wanna scream out loud
Please, believe me
I wanna make you mine
I wanna scream and shout
Can you hear me?
I wanna make you shine
I wanna scream out loud
Please, believe me
I wanna make you mine
I know what you're thinkin', so don't say a word
We'll do everything on the fly
I'm out on a mission, got a very strong vision
Of what's on your mind
I've finally found you, my kisses surround you
There's no turnin' back this time
Can you hear me call?
Can you hear me call?
I tell it to the one I love
Shout it to the world above
Baby, don't you understand
That everything belongs to us?
I wanna scream and shout
Can you hear me?
I wanna make you shine

I wanna scream out loud
Please, believe me
I wanna make you mine
I wanna scream and shout
Can you hear me?
I wanna make you shine
I wanna scream out loud
Please, believe me
I wanna make you mine
Oh, till the end of the line
Baby, you be mine
I wanna scream and shout
Can you hear me?
I wanna make you shine
I wanna scream out loud
Please, believe me
I wanna make you mine
I wanna scream and shout
I wanna scream out loud
I wanna make you mine
