

# Burn slow

## Chris Robinson Brotherhood

Curious to the tame  
Oblivious to the brain  
A thinking mans mistake  
Then you're far away I had a grande ole time  
With these good friends of mine  
A golden light did shine  
And a world did sing Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Had to pass the hat around  
Drink some black water down  
In a great walled lonely town  
Full of ghosts and clouds Had to keep the dogs at bay  
Heard them howling everyday  
Enough to drive a man insane  
So I stayed a boy Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow  
Burn Slow (Burn Slow)  
Burn Slow
