

Memories of Tomorrow (Suicidal Tendencies Cover)

Slayer

Bombers in flight
Trident missiles in the air
My missiles underground
Protect us till we're dead
Memories of tomorrow, crying sorrow
Push the button
Kiss good-bye the nuclear arsenal
A bomber flying off their ramps
Nuclear bombs explode
Radio active people
Search for medicine
Pray for shelter
Kill for food
Mass starvation
Contaminated water
Destroyed Cities
Mutilated bodies
Memories of tomorrow, crying sorrow
I'll kill myself
I'd rather die
If you could see in the future
You'd know why
Memories of tomorrow
