

# Life (Synchestra version)

[Devin Townsend](#)

[Words and music by Devin Townsend]My life is all that I've known  
And it's all that keeps me here  
My time is all that I own  
So I won't let it slip away...How long can this life go on  
Who we are what we are...  
I'll see you on the other sideWouldn't you rather live it on your own  
Even when it bends you over  
So when it comes time to go home  
You don't let them fade away...
