Coltsfoot Leaf

MF Doom

Indefinitely, concieved in LKC,
See Archangel in Infinities, white T reeking of Hennessy,
brought back memories, father locked north up,
Mom's snort up her crack remedy,
lack remedies be just what I did,
no school, no cool
No fool, but fuck politics,
Dead prez educated hit shit I lit the dollars with,
Hard Boiled, Chow Yum,
Fat boiled hard since six,
Rather on a brick during class,
my ass'd never sit,
and give a, fuck bout Hitler,
Caesar, Ask the teacher,
why am I need of knowing this?
Cant you tell the judge hold my books,
and I'm the crook on his corner, bitch?
"Rolling fats with Chronomats shining on my wrist?"
Til, I got caught up by all the law's of his,
Incarcerated cause Tre's and stained papes and weight,
yeah, I was harboring,
Got out to find out,
neighbour kids'd been fathered in,
Water of repentance used for college of the selling,
Live from proudest felons marking lives with dots,
and popping off on em like melons,
fuck that now, man I'm grown and shit,
Fuse Mic's like dynamite but never bomb
This rap shit, I find credits in,
route blocked by hoes, past the prime elegance,
Hobo's with kids clothes trading them off for medicine,
One goal is all's endevour, man,
alling is for weak,
Dragged rags through my hall's ducking calls of the beast,
Got away, I'm clean and debt free,
I ball, ya best believe,
Box the socks off ya, Heavy Weight G stopper,
but all bars and heavy beats,
ain't got me away from my scars and memories,
