Comfort Me

Feist

When you comfort me
And doesn't bring me comfort actually
When you comfort me
True life in haiku
And balances of phrase
out of the blue
And meaning shown to you
Where does sadness see
The mirror has a mirror in his teeth
That's what sadness sees
Big sky tiny bird
And when the paragraph betrays the word
Big sky tiny bird

who-who-who who-who-who-who-who-who
who-who-who who who who who who who who
While you held me up
I held out my calendar like a cup
While you held me up
Make it about me
I wanna to hold the blame to guillotine
Make it all blame free
Hee-hee-hee hee-hee-hee hee-hee-hee
hee-hee-hee hee-hee-hee hee-hee-hee-hee
Na na na na-na na na na na-na na na na na na na na na na
na na na na-na na na na na-na na na na na na na na na na
na na na na-na na na na na-na na na na na na na na na...
