Dark Black Makeup

Radkey

Kids these days they want it all,
They just trip, trip and fall,
It's all wasted, it's all wasted.
I'm tired of their knockin',
My tired head starts actin' up,
(ohhhhff)(x2)
When the world start waking these kids up,
With their capes and their dark black makeup,
Everywhere and I just can't shake it,
I'm gonna take 'em away.Kids these days they want it all,
They just trip, trip and fall,
It's all wasted, all wasted,
I'm tired of their knockin'.
I'm at the end, I've had enough,
(ohhhhff)(x3)
When the world start waking these kids up,
With their capes and their dark black makeup,
Everywhere and I just can't shake it,
I'm gonna take 'em away (ayyy)They want it all but they just can't take it,
They'll never know, but they'll always fake it,
Everywhere and every one of them's wasted,
I'm gonna take them away.When the world start waking these kids up,
With their capes and their dark black makeup,
Everywhere and I just can't shake it,
I'm gonna take 'em away.They want it all but they just can't take it,
They'll never know, but they'll always fake it,
Everywhere and every one of them's wasted,
I'm gonna take them away.
(oooo)(x2)
When the world start waking these kids up,
With their capes and their dark black makeup,
Everywhere and I just can't shake it,
I'm gonna take 'em away.
