

# Which One O' You Queers Gonna Suck My Dick?

## Wheeler Walker Jr.

feelin' frisky on a friday night  
but there aint no pussy in the bar tonight

a lot of guys give me the eye  
so i might as well give this a try

i need some action and i need it quick  
which one of you queers gonna suck my dick

they all shaking when i walk through  
cause they all know what i came to do

you know that i aint that strong  
you better keep movin along

i need some action and i need it quick  
which one of you queers gonna suck my dick

some say its crazy, some say its sin  
i need someone to lay my balls on top their chin

it's all the same when the lights go out  
as long as i got my dick shoved inside a mouth

i need some action and i need it quick  
which one of you queers gonna suck my dick
