

Don't Ask Me To Stay

Stacie Orrico

Baby,
Its not the arguments
It ain't the time we spent
I never worry bout who you're with or where you been
You take good care of me
I really should but please
I know you probably wont believe its not you, babe its me I don't know why
I don't love you anymore
And though I try
Its just not like it was before
I wish that I
Had reason to be mad at you
Then maybe I would not feel bad for leavin' you [Chorus]
You may not like what I have got to say
Baby I cant do this no other way
My feelings for you boy just ain't the same
Make this easy please
Don't ask me to stay
Please don't say you love me
I know you do
Don't know why I'm not still in love with you
My feelings for you boy just ain't the same
Make this easy please
Don't ask me to stay Baby its life itself
You know how these things go
Maybe I've just grown out of you
Maybe we'll never know
I know sometimes ill miss you
This may just be my loss
Though it may not seem that way
Maybe we are better off I don't know why
I don't love you anymore
And though I try
Its just not like it was before
I wish that I
Had reason to be mad at you
Then maybe I would not feel bad for leavin' you [Chorus] I don't wanna live a lie no more
How can I stay and not be sure
I wanna be with you

And I think you need to know the truth[Chorus: x2]Oh stay, baby I cant stay
I don't know why
