

Keep It Up

Bratz

Don't you ever hold back
So keep me for the high top
Don't you ever hold back
Hope you never turn back timeHey girl, never hesitate
Trust yourself, baby, don't you be afraid
Take your time, don't rush in, rush in
When it's right, you feel it, feel it'Cause now girl, you're flying' free
This big world with so much opportunity
Anything you want you can have it
Everything just get it, get itKeep me going', keep me going', keep me going'
You know that you can make it
Keep me going', keep me going', keep on moving'
You know that you can make itIf you keep it up like that
You can do it like the Bratz
Follow your dreams, girl
Don't stop till you make it to the topIf you keep it up like that
And give it everything you got
Keep on believing
Don't stop till you make it to the topLet's go, open up your eyes
For this world is waiting' for your stride
Get on board and do it, do it
Hit the floor and just move it, move itSo let's go, keep the energy
Like that and be just who you wanna be
You know, girl, you got your own style
And you know, you keep a high profileKeep me going', keep me going', keep me going'
You know that you can make it
Keep me going', keep me going', keep on moving'
You know that you can make itIf you keep it up like that
You can do it like the Bratz
Follow your dreams, girl
Don't stop till you make it to the topIf you keep it up like that
And give it everything you got
Keep on believing
Don't stop till you make it to the topDon't you ever hold back
Even if you lose track
Hope you never turn back time
So girl, don't you ever stop
Always give your best shot
Hope you never turn back timeDon't you ever hold back

Even if you lose track
Hope you never turn back time
So girl, don't you ever stop
Always give your best shot
Hope you never turn back time
Keep me going', keep me going'
If you keep it up like that
You can do it like the Bratz
Follow your dreams, girl
Don't stop till you make it to the top
If you keep it up like that
And give it everything you got
Keep on believing
Don't stop, keep me going'
If you keep it up like that
You can do it like the Bratz
Follow your dreams, girl
Don't stop till you make it to the top
If you keep it up like that
And give it everything you got
Keep on believing
Don't stop till you make it to the top
