

I Feel Cream

Peaches

You walked
Into
The room
Tonight
Your lips
Reflect
The light

You caught
My eye
But I
Did shy
Your hand
Across
My thigh

I know I
Rarely complain
Guys like you
Need to relay
Pretty boy
This will be fun
You'll be mine
For day has come

Your skin
So smooth
Existed the mood
You dance
Like you
Don't care

I work
The place
You lose
Some space
But still I feel you still

I know I
Rarely complain

Guys like you
Need to relay
Pretty boy
This will be fun
You'll be mine
For day has come

Let it roll off your tongue
I'm gonna have me some fun
Don't stand there lookin' all dumb
Like you've been hit with a stun gun
When you rub up my hip
I get a quivery lip
Cinematic un-zip
Deep dip
Roofie you quick
Roll that back
To my flat
Trust is broken
Hit that cat
Sack that fat
Make that mack
Just relax
Wanna take a bath
I, play like a guitar hero
Tolerance from no to zero
Get you off like Robert Shapiro
Talk to me deniro
Lets get suspect
Lets get wet
Every little defect gets respect
Just protect
What you expect
Quicker on the reflex
Hit the deck
Lets get suspect
Lets get wet
Every little defect gets respect
Just protect
What you expect
Quicker on the reflex
Hit the deck
Lets get suspect
Lets get wet
Every little defect gets respect

Just protect
What you expect
Quicker on the reflex
Hit the deck
Lets get suspect
Lets get wet
Every little defect gets respect
Just protect
What you expect
Quicker on the reflex
Hit the deck

I know I
Rarely complain
Guys like you
Need to relay
Pretty boy
This will be fun
You'll be mine
For day has come

I know I
Rarely complain
Guys like you
Need to relay
Pretty boy
This will be fun
You'll be mine
For day has come

Every little defect gets respect

I know I
Rarely complain
Guys like you
Need to relay
Pretty boy
This will be fun
You'll be mine
Matches in love
