

Could This Be Real (Joker Remix)

Sub Focus

I've seen it always in my dreams
I tried so hard so you'd believe
But now that I'm gone
I'm feeling like this could be real
I'm feeling like this could be real
I'm feeling like this could be real
Now that I'm gone
I'm feeling like this, feeling like this
I'm feeling like this, feeling like this
I'm feeling like this could be real
I'm feeling like this could be real
I'm feeling like this could be real
Now that I'm gone
I'm feeling like this, feeling like this
I'm feeling like this, feeling like this
I'm feeling like this could be real
I'm feeling like this, feeling like this
I'm feeling like this could be real
