

You Are Not Alone

Michael Jackson

Another day has gone
I'm still all alone
How could this be?
You're not here with me You never said good-bye
Someone tell me why
Did you have to go?
And leave my world so cold? Every day I sit and ask myself
How did love slip away?
Something whispers
In my ear and says: That you are not alone
I am here with you
Though you're far away
I am here to stay You are not alone
I am here with you
Though we're far apart
You're always in my heart You are not alone
Alone, alone
Why?
Alone Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms I can hear your prayers
Your burdens I will bear
But first I need your hand
Then forever can begin Every day I sit and ask myself
How did love slip away?
Something whispers
In my ear and says: But you are not alone
I am here with you
Though you're far away
I am here to stay You are not alone
I am here with you
Though we're far apart
You're always in my heart You are not alone Oh, whisper three words
And I'll come running, fly
And girl you know
That I'll be there, I'll be there But you are not alone
I am here with you
Though you're far away

I am here to stay You are not alone
I am here with you
Though we're far apart
You're always in my heart But you are not alone
You are not alone
I am here with you
I am here with you
Though you're far away
Though you're far away, you and me
I am here to stay You are not alone
You are always in my heart
I am here with you
Though we're far apart
You're always in my heart You are not alone Not alone
You are not alone, you are not alone
Say it again
You are not alone, you are not alone
Not alone, not alone
Just reach out for me girl
In the morning, in the evening
Not alone, not alone
You and me
Not alone, alone
Together, together
Just stop being alone
Just stop being alone
