

# That's Enough

Dorothy Love Coates

There's always somebody talking about me really i don't mind they try to block and stop my progress most of the time; the mean things you say don't make me feel bad and I can't miss a friend that i never had, I got Jesus,

Jesus and that's enough  
(Jesus and that's enough)

When i'm sick  
(He's there)  
in trouble  
(He's There)

When I call Him He will always answer my prayer  
(He will always answer my prayer)

Storms rise  
(He's there)  
Billows roll  
(He's there)  
that's when Jesus  
(Yea)

is a comforter to my soul  
(He's a comforter)

you may scorn me, turn your back on me Gods got his arms wrapp'd all around me  
(Jesus)

i've got Jesus  
(and that's enough)

oh Lord, you know there's been so many times when i didn't have a dime, didn't tell nobody but the Lord, he heard my plea came to see about me, he's my all in all when you crush me down Jesus picks me up, and He sticks by me when the going get tough

(Jesus)

I got Jesus  
(and that's enough)

oh Lord yea you talking about a great emancipator and a heart regulator  
(Jesus is)

oh yes He is  
(Jesus is)

He'll make my way brighter and my burderns lighter  
yes he will

(yes He will, yes He will)

you may scorn me, turn your back on me, He got his arms wrapp'd all around me  
takes care of my enemies when they try to get tough

(and that's enough)

oh Lord, God raised me

(that's enough)  
He saved me  
(that's enough)  
and He brought me  
(that's enough)  
God taught me  
(that's enough)  
He's my shepherd  
(that's enough)  
and He's my guide  
(that's enough)  
i can feel him walking right by my side  
(that's enough)  
i've got Jesus  
(Jesus)  
and that's enough  
(Jesus)  
i've got Jesus  
(Jesus)  
and that's enough  
(Jesus)  
i've got  
(Jesus and that's enough)  
that's enough
