

Cave

Sapient

I can't be an angel
But that can't be my angle, ya see
Hey, all of these emotions inside of me
And I can't be your hero
I'm planning to dethrone the king
Hey, this royal blood is coursing inside of me
For now I'll behave
And when the time comes I'll be brave, brave, brave, brave, brave
Heart beating like a timpani
For now I'll be patient
But my destiny's waiting
I'll do him like you did to me
I ain't taking food from daddy's table
Cause daddy's table could never satisfy this appetite
I ain't taking food from daddy's table
Cause daddy's table could never satisfy an appetite like this
Quite like this I can't be heir
But it's just a fancy chair to me
Hey, all of these emotions inside of me
Oh, how they love him
But Adam has got nothing on me
Hey, no other star is shining as bright as me
For now I'll behave
And when the time comes I'll be brave, brave, brave, brave, brave
Heart beating like a timpani
I'm not just a prince
And all my brothers I must convince
Drums beating 'till infinity
I ain't taking food from daddy's table
Cause daddy's table could never satisfy this appetite
I ain't taking food from daddy's table
Cause daddy's table could never satisfy this appetite
I ain't taking food from daddy's table
Cause daddy's table could never satisfy this appetite
I ain't taking food from daddy's table
Cause daddy's table could never satisfy an appetite like this
