

I Love You 5

Never Shout Never

I love you 1, a-2, a-3, shoo-bee-doo
I love you 4, that's more than I can afford
And I can tell someday that I'm gonna say the truth I love you 5 I've been walkin' around trying to figure out
Why I'm feeling all the feelings that I'm feeling now
And I got more on my mind than I have got on my plate I love you 1, a-2, a-3, shoo-bee-doo
I love you 4, that's more than I can afford
And I can tell someday I'm gonna say the truth I love you 5 times more than any boyfriend before
'Cause all they really cared about is whether you put out
And I truly believe that this love could be And I could count 5 times off the top of my head
Where I sucked it in 'cause you were hangin' with him
And I can softly say I love you all the same I love you 1, a-2, a-3, shoo-bee-doo
I love you 4, that's more than I can afford
And I can tell someday that I'm gonna say the truth, yeah I love you 1, a-2, a-3, shoo-bee-doo
I love you 4, that's more than I can afford
And I can tell someday that I'm gonna say the truth I love you 5
I love you 5
I love you 5
