

# A Leader's Faith

LaRue Howard

Steadfast  
Unmovable  
Always seeking the Face of God  
Trusting in His Promises  
Knowing He'll come  
Through for you  
Every time

Standing in the midst  
of calamity  
Nothing could shake you  
Nothing could move you  
You only believe  
And a leader's faith  
Is what we'll follow  
And always remember

Steadfast  
Unmovable  
Always seeking the Face of God  
Trusting in His Promises  
Knowing He'll come  
Through for you  
Every time

Standing in the midst  
of calamity  
Nothing could shake you  
Nothing could move you  
You only believe  
And a leader's faith  
Is what we'll follow  
And always remember

Your faith  
It causes you to obey God's word  
As undeniable proof  
that you totally believe him  
It's your faith  
It causes God to commit to His word

That He will do  
Everything that He has promised

And a leader's faith  
Is what we'll follow  
and it's a leader's faith  
Is what we'll remember  
and it's a leader's faith  
Is what we'll follow  
And always remember

Your faith  
It causes you to obey God's word  
As undeniable proof  
that you totally believe him  
It's your faith  
It causes God to commit to His word  
That He will do  
Everything that He has promised

And a leader's faith  
Is what we'll follow  
and it's our leader's faith  
Is what we'll remember  
and your faith  
Is what we'll follow  
And always remember
