

# Closing Time (Acoustic)

## Semisonic

Closing time

Open all the doors and let you out into the world

Closing time

Turn the lights up over every boy and every girl.

Closing time

One last call for alcohol so finish your whiskey or beer.

Closing time

You don't have to go home but you can't stay here. I know who I want to take me home.

I know who I want to take me home.

I know who I want to take me home.

Take me home Closing time

Time for you to go out to the places you will be from.

Closing time

This room won't be open 'til your brothers or your sisters come.

So gather up your jackets, and move it to the exits

I hope you have found a friend. Closing time

Every new beginning comes from some other beginning's end. Yeah, I know who I want to take me home.

I know who I want to take me home.

I know who I want to take me home.

Take me home Closing time

Time for you to go out to the places you will be from I know who I want to take me home.

I know who I want to take me home.

I know who I want to take me home.

Take me home I know who I want to take me home.

I know who I want to take me home.

I know who I want to take me home.

Take me home Closing time

Every new beginning comes from some other beginning's end
