

# Lover Come Back To Me

Bryan Ferry

The sky was blue  
And high above  
The moon was new  
And so was love This eager heart  
Of mine is singing  
Lover, where can you be? You came at last  
Love had its day  
That day is past  
You've gone away This aching heart  
Of mine is singing  
Lover, come back to me I remember every little thing  
You used to do  
I'm so lonely Every road I walk along  
I walked along with you  
No wonder I feel lonely The sky was blue  
The night was cold  
The moon was new  
But love was old And while I'm waiting here  
This heart of mine is singing  
Lover, come back to me I remember every little thing  
You used to do  
I'm so lonely Every road I walk along  
I walked along with you  
No wonder I feel lonely The sky was blue  
The night was cold  
The moon was new  
But love was old And while I'm waiting here  
This heart of mine is singing  
Lover, come back to me
