

Dehumanization

Whitechapel

Lyrics: Angela Gossow This is the age of dehumanization

Perverted creation
Damned, misled children
You never stood a chance
Resurrecting a dead messiah
For a paralysed race
Damned, misled children
You never stood a chance
Infected
Neglected
The new breed of a generation to come
Rejected
Ill-fated

The new breed - a generation to kill
Sowing the seed of suffering
Upon these fertile hearts
Damned, misled children
You never stood a chance
Chosen to be slaughtered
By the masters of manipulation
Dmaned, misled children
You never stood a chance
Infected
Neglected
The new breed
Of a generation to come
Rejected
Ill-fated
The new breed
Parasites
A generation to kill
