Wasted Time

Jazzanova

For the rest of my life
There will be no wasted time
Too much to do and to much to see
Can't waste my time

Don't know what tomorrow brings, ooh, ooh
But I'm not going to miss anything, ooh ooh
(No wasted time)

Gonna rise in the mornin' with the sun, ooh, ooh
And live each day like it's my last one
Can't waste my time
(Vaa, daa, daa, da)

For the rest of my life
There will be no wasted time
Too much to do and to much to see
Can't waste my time

For the rest of my life
There will be no wasted time
