

# Wasted Time

## Jazzanova

For the rest of my life  
There will be no wasted time  
Too much to do and to much to see  
Can't waste my time

Don't know what tomorrow brings, ooh, ooh  
But I'm not going to miss anything, ooh ooh  
(No wasted time)

Gonna rise in the mornin' with the sun, ooh, ooh  
And live each day like it's my last one  
Can't waste my time  
(Vaa, daa, daa, da)

For the rest of my life  
There will be no wasted time  
Too much to do and to much to see  
Can't waste my time

For the rest of my life  
There will be no wasted time
