'Cause I've been wanna hit it for a long time
Plug came through right on time with that pack
'Cause I ain't no more, I'm bone dry
Been getting money for a long time
I don't rent, I own mine
Ye ain't talking about getting money, little nigga
Hell no, don't hit my phone line
Molly got a nigga on cloud nine
That purchase came in at the wrong time
Your bitch wanna jump on my dick
Sorry, but you gotta wait, baby girl, it's a long line
These fuck niggas keep hating on a G
But a nigga can't eat if he don't grind
Hitters gon take your head off
AKA clothes line

Bankroll, I can't fold mine
Need a boujee bitch to roll mine
Nigga keep looking at all this ice
But I keep the heat on me like a stove iron
The money gon make your girl come show out
Bend her ass over, it's show time
She ain't wanna leave but you called her on her phone
Told her: Bring your ass home
