Alfie

Steve Tyrell

Whats it all about Alfie?
Is it just for the moment we live?
Whats it all about when you started out Alfie?
Are we meant to take more than we give?
Or are we meant to be kind?

And if only fools are kind Alfie,
Then I guess it is wise to be cruel
And if life belongs only to the strong Alfie
What will you lend ought to know golden rule
As sure as I believe,
There is a heaven above Alfie

I know there something much more
Something even nonbelievers can believe it

I believe in love Alfie (Alfie)
Without true love we just exist, Alfie
Until you find the love you've missed your nothing, Alfie
When you walk let your heart lead the way
And you'll find love any day

(Nonbelievers can believe it)

I believe in love Alfie (Alfie)
Without true love we just exist, Alfie
Until you find the love you've missed your nothing, Alfie
When you walk let your heart lead the way
And you'll find love any day, Alfie, Alfie, Alfie
