

QWERTY (8-Bit)

Linkin Park

Lies I didn't think that I had a debt to pay
'Til they came to take what I had left away
You said you wouldn't put me to the test today
But I remember you saying that yesterday There was a time when your mind wasn't out of control
Every memory and confession pouring out of your soul
Like a pill you couldn't swallow and it swallowed you whole
Another lie hard to follow till it followed you home and like that Broken down, a victim of your Lies you hide
behind
Lies, you don't know why you crossed the line wrapped up inside your
Lies you hide behind
Lies, you're lost inside that cold disguise behind your lies I don't know what I thought I might say
Seems like we never were taught the right way
Every other minute I fought for my place
And drop what I made and thought you might say So I'm guessing that you probably know
When your inside's hollow and you wanna be cold
Like a pill hard to swallow and it swallowed you whole
Another lie hard to follow till it followed you home and like that Broken down, a victim of your Lies you hide
behind
Lies, you don't know why you crossed the line wrapped up inside your
Lies you hide behind
Lies, you're lost inside that cold disguise behind your lies You're faking, you're mistaken
If you think that you could climb out of this hole
Forsaken, what would take when
Analyzing by the power of control Broken down, a victim of your Lies you hide behind
Lies, you don't know why you hide behind
Lies, you don't know why you hide behind
Lies, you don't know why you hide behind
Wrapped up inside your Lies you hide behind
Lies, you don't know why you crossed the line wrapped up inside your
Lies you hide behind
Lies, you're lost inside that cold disguise behind your lies
