Easy Does It

Hot Apple Pie

Sure thing, you're a sweet dream
And I'm flattered, believe that
I do appreciate the offer
All right, just one danceLord have mercy, girl, you sure feel good
Against my skin
I'd like to fade into the night with you
But my heart won't let me pretendEasy does it, beautiful
She ain't been gone that long
And I'm a real reluctant Romeo
Baby, better take it slowEasy does it, beautiful
Easy does itI still feel a bit tender
A little unsure of where I stand
One minute, I surrender
The next one, I'm holdin' backNow, I don't want to push you away
The truth is, I want this
But I need a little time, baby
I just can't be rushin' inEasy does it, beautiful
She ain't been gone that long
And I'm a real reluctant Romeo
Baby, better take it slowEasy does it, beautiful
Easy does itThey say patience is a virtue
And I believed that till I met youEasy does it, beautiful
She ain't been gone that long
And I'm a real reluctant Romeo
Baby, better take it slowEasy does it, beautiful
Easy does itEasy does it
(Easy does it)
Easy does it, yeah, oh
Easy does it
(Easy does it)Easy does it
Easy does it
(Easy does it)
Easy does it
