

Hearts On Fire

[Randy Meisner](#)

Had myself a tall one
Waitin' at the bar
Wasn't gonna leave her
Till I had her in the car
Moon was growing bright
Stars were standing still
Waiting for my baby
In the cold December chill
I been achin'
From desire
Blood running like a ragin' river
But her heart's on fire
Couldn't write a letter
'Cause I don't know what to say
Couldn't write a song
'Cause I don't know what to play
