

Supa Dope

Kat Graham

Yeah I think you like it
Like what you see
You cant take your eyes off of me
yeah I think I'm pulling
Pulling you in
Cant take your mind off of me

Woah
I know ya like it
Woah
I know ya like it
Woah
I know ya like it
I know ya like it
I know ya like...

I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh

I think that you're so intrigued
You neve met a chick like me
like the snare on the record
I'm poppin'
When they see me like flies
They droppin'

Correct me if I'm wrong
I kinda maybe turn you on
I'm like the leader of my band
And your lookin' like a stadium fan yea

Yeah I think you like it
Like what you see
You cant take your eyes off of me

yeah I think I'm pulling
Pulling you in
Cant take your mind off of me

Woah
I know ya like it
Woah
I know ya like it
Woah
I know ya like it
I know ya like it
I know ya like...

I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh

Tell me what ya wanna
wanna do
Might push it to the limit with you
And if I give you some my time
Betta blow my
Blow my mind

Don't talk
Don't talk
Thats cheap
Back it up
Back it up
Show me
If you think I'm what you want
Can you
Turn me
Turn me on

Yeah I think you like it
Like what you see
You cant take your eyes off of me
yeah I think I'm pulling
Pulling you in

Cant take your mind off of me

Woah
I know ya like it
Woah
I know ya like it
Woah
I know ya like it
I know ya like it
I know ya like...

I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh

Far from you average
So damn fabulous
Kisses are my arsenal
Hit you like a wrecking ball
Supa dope
Funky, fresh
I'm Supa dope
Funky, fresh

Far from you average
So damn fabulous
Kisses are my arsenal
Hit you like a wrecking ball

Yeah I think you like it
Like what you see
You cant take your eyes off of me
yeah I think I'm pulling
Pulling you in
Cant take your mind off of me

Yeah I think you like it
Like what you see
You cant take your eyes off of me
yeah I think I'm pulling
Pulling you in
Cant take your mind off of me

Woah
I know ya like it

Woah
I know ya like it
Woah
I know ya like it
I know ya like it
I know ya like...

I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
I'm supa dope
Funky, fresh
