Love Is a Jungle

Peter Ivers

Love is a jungle
the passion is onâ€¨Donâ€™t struggle, if love is a jungle
Donâ€™t struggle, if love is a jungle-oh

Hunt me Lucy through the jungle
through the city, through the trees.
Lay me down on humid me grass
where the raging river rushes.
Stroke me, stalk me, hunt me, please

Love me Lucy under blue skies,
Under gray skies, in the dark,
Lay me down beside your body
Promise me youâ€™ll always love me
Spirit body soul and heart

Love is a jungle
The passion is on
