

Landslide

Kat Perkins

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow-covered hills
'Til the landslide brought me downOh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the season of my life, ah ahI don't know
Ooh ooh I don't knowWell, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older tooSoWell, I've been afraid of changing
'Cause I, I've built my life around you
But time makes you bolder
And children get older
And I'm getting older too
Oh yes, I'm getting older tooSo I take my love, take it down
Oh if you climb a mountain and turn around
And if you see my reflection in the snow-covered hills
Will, will the landslide bring you down
