

# On A Good Day

Above & Beyond pres. OceanLab

Little bit lost and  
A little bit lonely  
Little bit cold here  
A little bit feared

But I hold on  
And I  
Feel strong  
And I  
Know that I can

Getting used to it  
Lit the fuse to it  
Like to know who I am

Been talking to myself forever, yeah  
And how I wish I knew me better, yeah  
Still sitting on a shelf and never  
Never seen the sun shine brighter  
And it feels like me  
On a good day

And it feels like me  
On a good day

I'm a little bit hemmed in  
A little bit isolated  
A little bit hopeful  
A little bit cold

But I hold on  
And I  
Feel strong  
And I  
Know that I can

Getting used to it  
Lit the fuse to it  
Like to know who I am

Been talking to myself forever, yeah  
And how I wish I knew me better, yeah  
Still sitting on a shelf and never  
Never seen the sun shine brighter

And it feels like me  
On a good day

Been talking to myself forever, yeah  
And how I wish I knew me better, yeah  
Still sitting on a shelf and never  
Never seen the sun shine brighter  
And it feels like me  
On a good day
