Rock Em Dead

Jim Ranger & Windy Wagner

Chasing a dream down the lonely road
Your tail is dragging itâ€™s a heavy load
You never whine, you donâ€™t quit
Just dig a little deeper and scratch that itch
When you get your shot
Give it all you got
Donâ€™t just knock them dead
Whoa-oa-oa
You gotta rock
You gotta rock â€˜em dead (you gotta rock â€˜em dead)
Like a hurricane
Keep rocking every chance you get
You gotta rock â€˜ em dead
Whoa-oa-oa
You gotta rock
You gotta rock â€˜em dead (you gotta rock â€˜em dead)
You gotta rock â€˜em, you gotta rock â€˜em
You gotta rock â€˜em dead
