

Living Room (Live at Bridge School Benefit)

Tegan and Sara

My windows look into your living room
I spend the afternoon on top of you
I wonder what it is
That I did to make you move in Across away from me
I hope I never figure out
Who broke your heart
And if I do, if I do I'd spend all night losing sleep
I'd spend the night and I lose my mind
Well I'd spend the night and I'd lose my mind
My windows look into your bathroom Well I spend the evening watching
You get yourself clean
I wonder why it is
That they left this bathroom so unclean So unlike me
I hope I never figure out
Who broke your heart
And if I do, if I do I'd spend all night losing sleep
I'd spend the night and I lose my mind
I'd spend the night and I lose my mind
I'd spend all night losing sleep I'd spend the night and I lose my mind
If I spend the night then I lose my mind
Well I hope I never figure out who broke your
Heart And baby if I do
Well I hope I never figure out who broke your
Heart
Baby if I do Well I'd spend all night losing sleep
I'd spend the night and I lose my mind
If I spend the night then I lose my mind
Spend all night losing sleep I'd spend the night and I lose my mind
If I spend the night then I lose my mind
Spend all night losing sleep
I'd spend the night and I lose my mind
If I spend the night then I lose my mind
