

Freedom

Blue System

Freedom, freedom
I'll believe in you
More and more I doFreedom, freedom
Oh, I miss you so
Oh baby, please don't goFreedom, gimme, gimme freedom
Every night and every day
I love you more than I can sayFreedom, gimme, gimme freedom
Another night, another day
I love you more than I can sayOh more, more, you want more
Oh, it's you, my heart beats for
Oho, I'll never let you goDon't stop, do it again
Love is like burning flame
Oho, I'll never let you goOh, I know it hurts me
But I want you so much, my baby
Oh, I know it hurts me
But I miss your touchFreedom, gimme, gimme freedom
Every night and every day
I love you more than I can sayFreedom, gimme, gimme freedom
Another night, another day
I love you more than I can sayOh, fun, fun all day night
There is love to satisfy
Oho, I'll never let you goOne, two, baby, it's true
I will make good love to you
Oho, I'll never let you goOh, I know it hurts me
But I want you so much, my baby
Oh, I know it hurts me
But I miss your touchFreedom, gimme, gimme freedom
Every night and every day
I love you more than I can sayFreedom, gimme, gimme freedom
Another night, another day
I love you more than I can sayI'll believe in you
More and more I doFreedom, freedom
Oh, I miss you so
Baby, please don't goFreedom, gimme, gimme freedom
Every night and every day
I love you more than I can sayFreedom, gimme, gimme freedom
Another night, another day
I love you more than I can sayFreedom, gimme, gimme freedom
Every night and every day

I love you more than I can sayFreedom, gimme, gimme freedom
Another night, another day
I love you more than I can sayFreedom, gimme, gimme freedom
Every night and every day
I love you more than I can say
Freedom, gimme, gimme freedom
