

Lost - Jordy Lishious Remix

Lasgo

I can see it clearer now
The Love we had is gone
We don't have a common ground
A reason to hold on
All the faith I had in you
The stories that you told
After all that we've been through
You left me in the cold
I don't wanna be lost tonight
I wanna live my life
Leave me alone
Gonna be my own boss tonight
I'm gonna feel alright
All on my own
I don't wanna be lost tonight
I wanna live my life
Leave me alone
Gonna be my own boss tonight
I'm gonna feel alright
All on my own
Please say that you're sorry now
You wanna start again
It's a bit to late for that
You sound just like a man
Everything you promised me
A rainbow in the sky
You can pack it up and leave
Cause boy this is goodbye
Cause boy this is goodbye
Cause boy this is goodbye
I don't wanna be lost tonight
I wanna live my life
Leave me alone
Gonna be my own boss tonight
I'm gonna feel alright
All on my own
I don't wanna be lost tonight
I wanna live my life
Leave me alone

Gonna be my own boss tonight
I'm gonna feel allright
All on my own
