Black Serenade

Slayer

Terrorize, frozen eyes
Stare deep in me
Paralyzed, inside
Death breeds on your painPretty lace lie in hate
You wear my scars
Terrified, you find
That you push me too farYour repulsiveness reminds me
Of dead flesh
Rotting corpse
The smell of your putrid fucking soulPetrified that I decide
The moment of your death
Belongs to me, the taste is sweet
It's so unrealYour God weeps, it bleeds
It begs for me
God is letting you recoverWelcome to my black serenade
The entrance to my hell, your pain
Scream your song, the black serenade
Live in fear, a mind insaneVoice inside my head
Your face still shows itself to me
Telling me you're dead
Staring at your lifeless bodyI saw you fucking die
My mind's tearing itself apart
Screaming from the inside
Release this pain from my fucking heartDestroy the empty shell
Smash away the haunting fear
I hate your endless stare
Watching as I fuck your corpseWelcome to my black serenade
The entrance to my hell, your pain
Walk on through a tortured mind
You'll scream your song in timeWelcome to my black serenade
The entrance to my hell, your pain
Flesh is burnt, the black serenade
Live in fear, no coming backWelcome to my black serenade
The entrance to my hell, your pain
Walk on through a tortured mind
You'll scream your song in timeWelcome to my black serenade
The entrance to my hell, your pain
Flesh is burnt, the black serenade
Live in fear, death is back
