

For you (Frank SchÃnekaes Re-Edit)

Angus & Julia Stone

If I talk real slowly
If I try real hard
To make my point dear
That you have my heart
Here I go I'll tell you
What you already know
Here I go
I'll tell you
What you already know If you love me, with all of your heart
If you love me, I'll make you a star in my universe
You'll never have to go to work
You'll spend everyday, shining your light my way If I talk real slowly
If I hold your hand
If you look real closely my love
You might understand
Here I go I'll tell you
What you already know
Here I go
I'll tell you
What you already know If you love me, with all that you are
If you love me I'll make you a star in my universe
You'll never have to go to work
You'll spend everyday, shining your light my way Here I go I'll tell you
What you already know
Here I go
I'll tell you
What you already know If you love me, with all of your heart
If you love me, I'll make you a star in my universe
You'll never have to go to work
You'll spend everyday, shining your light my way
