

Catfish and The Bottlemen

Larry, call a load of smoke in
 I wanna lose a couple days
 We've probably never struggled coping but
 I never want to
 Promise again that I would call her
 Forget the time 'cause I'm seven hours behind
 It's probably good I didn't call, though
 But I always want to And I'd beg you
 But you know I'm never home
 And I love you but I need another year alone
 And I've tried to
 Ignore it every time you phone
 But I never come close And I don't think through things
 I never get time
 'Cause I don't think things through Larry call a load of smoke in
 I wanna disappear for days
 We've probably never struggled sleeping but
 I never want to
 Promise again that I would call her
 Forget the time 'cause I'm seven hours behind
 It's probably good I didn't call though
 But I always want to And I'd beg you
 But you know I'm never home
 And I love you but I need another year alone
 And I've tried to
 Ignore it every time you phone
 But I never come close I don't think through things
 I never get time
 'Cause I don't think things through
 I don't think through things
 I never get time
 'Cause I don't think things through And I'd beg you
 But you know I'm never home
 And I love you but I need another second to myself
 And I've tried to
 Ignore it every time you phone
 But I never come close (I don't think through things, I never get time) I'd beg you but you know I'm never home
 (I don't think through things, I never get time) and I love you but I need another year alone
 (I don't think through things, I never get time) and I've tried to ignore it every time you phone

But I never come close
