# Let's Get Away With It

## Wallpaper.

I got a stolen cop car and some dumb ideas, yeah
Tank full of gas, where to go from here, oh.
Break info to six flags with me, three AM and rides are free.
When the sun comes up where do you wanna be?

Well let's find the cheapest flight
And get on that plane tonight, and feel that, ahh
I know you've always wanted to,
But right now I dare you to, and feel that ahh

Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it

You Know my neighbor's out of town and I got their keys.
Been throwing up parties for the last two weeks
Fireworks, set the roof on fire
And now we're dancing in the street
Well let's find the cheapest flight
And get on that plane tonight and feel that, ahh

Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it

We're gonna drink red wine though a red vine straw.
We're gonna do what we wanna do till we can't no more
We're gonna do what we wanna do till we can't no more.
no more, no more, no more, no more

no more, no more, no more, no more

Well let's find the cheapest flight
And get on that plane tonight, and feel that, ahh
I know you've always wanted to,
But right now I dare you to, and feel that, ahh

Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
Oh, let's get away with it
