I'm Still Here

Mandisa

Yesterday
Had me knocked to the ground
Had me down for the count
My faith a million miles away
And I dropped outta sight
This overcomer, lost her
Will to fightI know it's been a while since
Anybody see me smile and
Shame had me thinking it was
Game overThought my best days were gone, yeah
Turns out, that I was wrong 'cause
This is my comeback song, yeah
And by the grace of God
I'm still here
Hope is rising, waking up my soul
I'm still here
All my broken, turning beautiful'Cause I feel my heartbeat beating
And my lungs breathe breathing
Guess my God's not done with me yetI'm still here
All my yesterdays are gone
And the best is yet to comeNow I see
There's a reason I survived
There's a story still to write
His grace is working everything
Everything for my good
In a way that, only
He could
I know it's been a while since
Anybody's seen me smile and
Shame had me thinking it was
Game overThought my best days were gone, yeah
Turns out, that I was wrong 'cause
This is my comeback songI'm still here (I'm still here)
Hope is rising, waking up my soul
I'm still here (I'm still here)
All my broken, turning beautiful'Cause I feel my heart beat beating
And my lungs breathe breathing
Guess my God's not done with me yet (done with me yet)I'm still here (I'm still here)
All my yesterdays are gone

And the best is yet to comeHe lifted me up (He lifted me up)
Out of the pit
All glory to God
I will sing it againHe lifted me up (yeah)
Out of the pit
All glory to God
And the best is yet to comeThe best is yet to comeI'm still here (I'm still here)
Hope is rising, waking up my soul (waking up my soul)
I'm still here (I'm still here)
All my broken, turning beautiful'Cause I feel my heart beat beating
And my lungs breathe breathing
Guess my God's not done with me yet (done with me yet)
'Cause I'm still here (I'm still here)All my yesterdays are gone
And the best is yet to come
The best is yet to come
