

# So Kill Me

[MxPx](#)

Losing my mind  
You've lost yours long ago  
Wasting your time  
You want me to go So when you feel like killing me  
Just go ahead and I'll be there for you When you feel like killing me  
Just go ahead and I'll be there for you Go ahead, try to understand me  
Try and understand you  
It's not hard to be demanding  
'Cause this is all so new So when you feel like killing me  
Just go ahead and I'll be there for you When you feel like killing me  
Just go ahead and I'll be there for you So when you feel like killing me  
Just go ahead and I'll be there for you When you feel like killing me  
Just go ahead and I'll be there for you
