

Let Me Fall

Alexz Johnson

I feel chained, chained down
You shoved me to the ground
I can't run, I can't shout
Just let me out So heartless, this couldn't mean less
Gonna push it in your face
I'm only human
And I've got something to say Let me rise, let me fall
Let me breathe
I wanna lose control
I'm not afraid to lose it all
Let me break, let me crawl
'Cause I'll get back up again if you let me fall If I burn down in this fire
Well, I got myself to blame
I can't stop or give it up
I need to feel the pain Can you hear me?
Don't come near me
You'll just get in my way
I'm only human
And there's nothing you can say Let me rise, let me fall
Let me breathe
I wanna lose control
I'm not afraid to lose it all
Let me break, let me crawl
'Cause I will get up again if you let me fall You say you know what
I'm all about
Then you'll understand I'll figure it out
And live my own life Let me rise, let me fall
Let me breathe
I wanna lose control
I'm not afraid to lose it all
Let me break, let me crawl
'Cause I will get up again if you let me fall Ya
(Let me rise, let me fall)
(Let me breath, let me break, let me call) If you let me fall
If you let me fall
I will get up again
If you let me fall Yeah, yeah, yeah yeah
If you let me fall
If you let me fall

I will get up again
If you let me fall
